The Next Berkshire Hathaway

In 1957, Bill and Carol Angle invested half their life savings with Warren Buffett. Today, their shares in his company are worth over \$300 million. According to Forbes, another early investor, Malcolm Chace, piled up \$850 million.

You know the Berkshire miracle can't possibly come along more than once in a lifetime. But suppose you could do even half as well?

One stock looks uncannily similar to an early Berkshire Hathaway.
